2017 LUKE  
Cabernet Sauvignon  
Columbia Valley  
Wahluke Slope

A well-made wine that offers aromas of dusty red plum, blackberry and cassis, the 2017 Cabernet Sauvignon opens with a concentrated fruit core and touches of oak spices on the nose. Full-bodied, the palate is clean and correct with a well-structured mid-palate that offers firm tannins that are still tight in youth. The wine shows excellent value for the price, lingering long and delivering succulent black fruit flavors with a dusty essence on the finish. Nearly 10,000 cases produced. I'm impressed." ~Anthony Mueller
